### **Lighting Cues**

Pre set

Dream state

Start of show

Fade to blackout. When sound of clapping bring up general state as performer walks on stage.

When performer produces a conker that falls onto the table, gentle crossfade to green state.

When Fiddlesticks falls off the horse brief flashes and then back to general state.

As performer conducts with baton, gentle crossfade to dream state. Performer will go behind the table and do shadows.

When performer closes curtains, crossfade to general state.

When the sail goes onto the boat, gentle crossfade to blue state.

When performer comes on with violin, back to general state.
