sorcerer

**It is another name for a wizard or a magician**

**All his magic and his spells are in here

I know what it means, but I'm not going to tell you I am going to show  
you.  
You see once I did open his book  
And once I looked inside

**Lights up to full.**

Apprentice appears at the top of the playboard mopping.

**About 30mins into the show  
Lighting cue coming up**

This will work ... Spiritus blavaticum Fasticus .....Worm pops  
Out of book.  
Apprentice hides

**BANG (party popper goes off)**

**Lights cross fade to magic state (Green?)**

**Magic routine with puppet.**

Water comes out of the pot and sends the apprentice flying.

**Mark switch on ripple light**

Mark takes the water out of the pot and hangs it up.

**When the blue silk fills the front of the stage.**

**Take out the magic state (green) to blackout**

The stage darkens and shadows appear in the water of the boy chasing the broom, with fish.

Finally the sorcerer returns and lifts the apprentice out of the water.

**Sorcerer..... Expellar Spiritus**

**Silks fall down.**

**Lights cross fade back to the warm state**

**Sorcerer says**

**How many times did I tell you not to look in my Spell Book?!**

**Sit down. Now tell me have you learned anything today?**

**If you practice and practice and practice you could become really good at whatever it is you want to do. You might even become a sorcerer**

**Mark puts a magic hat onto the apprentice. He blows bubbles and makes a ball appear that rises magically out of his hands**

**Mark walks off**

**Blackout**
